

CESA 6 PAYROLL PROCESSING SERVICES

SAVE TIME. SAVE MONEY. SAVE WORRY.

As budgets get tighter, Districts are searching for new efficiencies for essential services. That's why CESA 6 is offering Payroll Processing Services for school districts.

Accounting professionals who are knowledgeable in the many reporting aspects of payroll provide CESA 6 Payroll Processing Services. As a purchased service, you'll receive the expertise of a person who specializes in payroll, who can ensure payroll is processed on-time, who has the knowledge of school district account codes and who can answer the questions that might arise.

Flexible

Our payroll specialist will use your software, and learn the processes that you use to meet your payroll needs. Plus, as a valued partner, CESA 6 staff members are available by phone or email to answer questions.

Comprehensive

The **Payroll Processing Services** will support you with on-time reporting, such as payroll liabilities, payroll tax payments, monthly WRS remittances, quarterly 941 reports, and annual W-2 processing.

Affordable

In today's busy business offices, CESA 6 **Payroll Processing Services** can deliver efficient payroll services remotely, saving you time in the business office. Time that you can reallocate to other essential functions!
