ADAPT

COMPLIANCE | CONFIDENTIALITY | CUSTOMER EXPERIENCE

ADA PROCESS TEMPLATE FOR CONFIDENTIAL, COMPLIANT & USER-FRIENDLY 504 FORMS

ADAPT provides a robust, seamless system to complete and manage Section 504 student referrals, accommodation plans, forms and reports.

A one-stop hub to access and track all 504 data, ADAPT saves users time by auto-filling repetitive student information. It is fully integrated with the SEEDS Special Education Electronic Data System.

LIVE CUSTOMER SUPPORT
ADAPT provides excellent customer service and rapid response time.

OFF-SITE BACK-UP
The secure system also features automatic, off-site, remote back-up, so your data is safe.

EFFICIENTLY SHARE DOCUMENTS
ADAPT makes it simple for faculty, support staff, special education administrators and internal/external consultants to share documents and collaborate. Provides authorized staff easy access to student documents in one consistent location.

CUSTOMIZABLE USER PERMISSIONS
Permissions are assigned at the individual user level. Users can see and utilize only the components to which they have access.
