OUR MISSION:

Engage and empower all women through learning and partnership opportunities to become transformational leaders who make a positive and lasting impact in their communities. The Women Leading Wisconsin conference is an opportunity for women in leadership positions or aspiring leaders to come together to network and be inspired and empowered in leadership growth and development opportunities.

WHO WE ARE:

As a committee our purpose is to be able to provide leadership, growth and development opportunities for women across the state to come together and learn from each other.
